					≤10	<100	≥100	
16	wireless smoke detector	SA-2941		Adpoter imported high-performance optical sensors and chips. anti-false alarm abilities.Smart circuit design. The smoke density automatic tested Double-sided fireproof glass fiber circuit board Smoking/High temperature can detection alarm. Sound light alarm.Manual testing.Automatic reset. Wireless distance:Empty 150 meters. 9V Laminated battery power supply. Support mute function. Working frequency: 433M. Passed the smoke certification in Europe. Dedicated for home sitting room/bedroom/shop/store business hall/ warehouse/office/company warehouse alarm . Easy installation	$7.20	$0.00	$5.40	Hot Selling
17	Gas Detector	SA-2951		Adaptor ABS anti fire housing. Anti white light interference/greasy dirt/smoke density ability. anti-false alarm abilities. Test products problem automatically Adaptor high reliability grade A sensor. AC220V power supply,Sound light alarm,Manual testing,Automatic reset. Working frequency:433M. coder type:fixed and learning coder. Dedicated for home balcony/Doors and windows/store doors and windows/ company doors and windows/ alarm dedicated. Easy installation	$15.60	$0.00	$14.40	Hot Selling
18	Power Supply(IC Control)	SA-2961		5V/2A	$3.60	$0.00	$3.00	Hot Selling
